Great Expectations

By James McCaleb

As a small boy I was invited to eat in a great many homes. It was not through popularity, but because folks had to take me with my parents. There were a few homes, however, where I knew I was not wanted. I knew also that the hosts were able to provide a lot of good food for me, and also wanted to do so. I always went with *great expectations*.

A long time ago there was a certain centurion, an officer in the army of Rome. His son was became quite ill and was near death. This army officer had heard about Jesus through the Jewish elders in is town. He asked them to intercede in his behalf and to ask Jesus to come to heal his son. The Lord had compassion on the sick boy and started from Capernaum. When HE was still some distance from the home HE was met by certain representatives of the centurion. The centurion had thought matters over. *(next page)*

(continued)

He knew that he had power to direct his own men to do whatever he wished and that he could give these orders from long range. He had told these messengers to tell Jesus that he knew it was unnecessary for HIM to come further. That power of HIS spoken word would be sufficient. The centurion *expected great things*.

Jesus was moved by this show of faith. HE healed the boy from a distance. HE could have operated at any distance.

When we pray to God, the results obtained depend upon our faith. We may be sure that God has the power to accomplish any good thing. We may be sure also that HE will always do us good. When we pray we must *expect great things*.

“The Types of Prayers Answered By God”

I Kings 9:1-3

Introduction

- A. Many have offered God prayer over the years, but were frustrated because their prayers went unanswered.
- B. The Bible reveals several reasons why some people’s prayers go unanswered; *a lack of faith, an unbeliever, not asking according to God’s will, etc.*
- C. But, we are blessed by God according to the Bible to know with certainty the types of prayers that have been answered by God in times past; *those concerning his house, those concern our health, and those concerning the gospel!*
- D. If for no other reason that this, we now know we can come boldly to the throne of God believing that HE will answer these types of prayers!

Sermon

I. Those Concerning His House

II. Those Associated To Our Health

III. Those Related To The Gospel

Conclusion

- 1. God is concerned with HIS house!
- 2. God is concerned with our health!
- 3. God is concerned with the Gospel!

Healthcare Information

Did You Know **Glaucoma** is the leading cause of irreversible blindness. Moreover, among African American and Latino populations, glaucoma is more prevalent. Glaucoma is 6 to 8 times more common in African Americans than Caucasians. Currently, more than 3 million people in the United States have glaucoma. The National Eye Institute projects this number will reach 4.2 million by 2030, a 58 percent increase. Glaucoma is called "the sneak thief of sight" since there are no symptoms and once vision is lost, it's permanent. As much as 40% of vision can be lost without a person noticing.
