believing hearts

The Certainty of the Gospel

by James McCaleb

A certain man had climbed high in the business world by relying heavily upon the friendship of a great executive. When his associates found him despondent, they asked the cause. He replied: "I leaned on Jim. When Jim fell, I fell with him."

The heart longs for security. We search eagerly for a sure support upon which to lean. The inevitable crashes of life's flimsy architecture leave us heartbroken.

Luke, the physician, had found a sure cure in the gospel, and wanted men to know the impregnable historical foundation of that good news. There was no doubt that he had been raised and the blind made to see. Furthermore, there was no doubt that Jesus was buried and rose again. Historically, the evidence is without question.

Better still, we can make our own history. We know that when we are buried with Christ in baptism, we rise with him in a new life. Through Jesus Christ our Lord we have access to the infinite power of God. We try Him and He does not fail. We have leaned upon the everlasting arms and they have held us safe and secure. The certainty of the gospel is within our hearts.

"...for I know whom I have believed, and am persuaded that he is able to keep that which I have committed unto him against that day." (II Tim 1:12)

Did You Know....How to stay heat smart

Just because it's hot doesn't mean you have to stay inside, but you should take precautions to stay safe when temperatures are high. Know the symptoms of heat-related illness and take these steps:

Hydrate. Drink plenty of fluids, even if you're not thirsty. Avoid drinks with caffeine, alcohol or lots of sugar.

Dress. Wear loose-fitting, lightweight, light-colored clothing. Consider wearing cotton, which absorbs extra moisture and helps your body cool down.

Rest. Limit outdoor activity to morning and evening hours when it's cooler. Rest often in shady areas. Don't overexert yourself. Your body will tell you when it's time to take a break, so listen.

Slather. Wear sunscreen, sunglasses and a loose-fitting hat. Sunburn can impact your body's ability to cool off and can contribute to dehydration.

Eat light. Eat small, light meals and eat more often. Heavy meals add more heat as your body works harder to digest them.

Friendship. Use the buddy system when working or exercising in the heat. Don't leave pets outside or in cars. Check on people you know who are sick or elderly; they are most likely to have problems from the heat.

Get wet. If you know you're going to be outside for a while, soak your shirt, hat or a towel in cold water and use it to keep cool outside. This works whether you're gardening or hiking. Just use the hose or a nearby creek to keep wet. And when the temperatures are really high, try to stay indoors and enjoy some air-conditioning, especially from 10 a.m. to 4 p.m. when the temperatures are hottest. Electric fans can provide some relief, but when temperatures hit the high 90s, they won't prevent heat-related issues, according to the CDC. Take cool showers or baths to cool off instead.

Pathways To The Gospel

II Timothy 1:1-5

Introduction

“Paul, an apostle of Jesus Christ by the will of God, according to the promise of life which is in Christ Jesus, ² To Timothy, my dearly beloved son: Grace, mercy, and peace, from God the Father and Christ Jesus our Lord. ³ I thank God, whom I serve from my forefathers with pure conscience, that without ceasing I have remembrance of thee in my prayers night and day; ⁴ Greatly desiring to see thee, being mindful of thy tears, that I may be filled with joy; ⁵ When I call to remembrance the unfeigned faith that is in thee, which dwelt first in thy grandmother Lois, and thy mother Eunice; and I am persuaded that in thee also.”

Sermon

I. Some Are Raised Around The Gospel

II. Some Seek Out The Gospel

III. Circumstances Bring Others To The Gospel
