“Chosen Men Sent To Tell You The Same Thing”  
Acts 15:22-27

**Introduction**

- A. It was approximately 15-17 years after the start of the New Testament church that a major doctrinal problem threatened the Christian movement.
- B. Between 48-50 A.D., Acts 15:1 likely occurred, “And certain men which came down from Judaea taught the brethren, and said, Except ye be circumcised after the manner of Moses, ye cannot be saved.”
- C. The Bible says that there were **certain men** from Jerusalem, who were irate having heard that Gentile converts to Christ were not being required to keep the circumcision of Moses, and they came to Antioch to confront the brethren.
- D. Their doctrinal position was: **the gospel plus circumcision equals salvation**, i.e., a demand for Judaism and Christianity in certain aspects to be equally regarded concerning salvation.
- E. But Paul and Barnabas had a major disagreement with those Jewish Christians who wanted their Pharisaical doctrine merged with Christian doctrine, a hybrid teaching that if not contended with, would have affected the entire Christian church.
- F. Thus, the church at Antioch desired Paul and Barnabas, with certain others, to go to Jerusalem to settle the matter, and at that gathering four primary speakers stood to express the will of God – **Peter, Barnabas, Paul, and James**.
- G. I want you all to imagine for just a moment **chosen men** selected from this congregation to attend a similar gathering, but not discuss hybrid doctrines, but to discuss the current Pandemic, how it directly impacted our desire to worship and fellowship as the church, and the personal challenges faced over the past 7 months. Could you see that happening during our worship at **Beltway?**
