"Seeing All Things From God's Point of View"
Colossians 1:9-10
2019

The Lord's Coming by James McCaleb

Many questions have been raised regarding the second coming of the Lord. Discussions have been numerous, and at times, heated. All of this interchange of ideas, however, should be premised on the fact that one actually believes that the Lord will come again even as has been promised.

Do we believe that the Lord will keep HIS word? If so, we will act accordingly. May times we have been taught to respect and appreciate a relative who lives in some remote section of the world. We talk about him and admire him, but we do not have to live with him. Unexpectedly, this far-distant relative arrives. Perhaps we didn't want to see him at all. His presence disrupted our regular way of life, and we found it necessary to make some sacrifices to make room for another member. Distance had provided enchantment, but the reality was not desired. *(next page)*

(continued)

It might be that we consider the Lord's coming in the same manner. We like to talk about it and to disagree over details, but do not earnestly long for the visit itself. To enjoy the arrival of the Lord in all HIS glory, we must experience HIS presence now.

Through faith, we walk with Christ during our present life on earth. If our belief is living and real, we act as if Christ's presence is likewise real and living. There is always room for HIM in all of our plans. We grow in grace and in the knowledge of the Lord. We desire earnestly to be with HIM forever.

If we do not enjoy the Lord's presence now, it is doubtful whether we will enjoy the meeting which is sure to come.

Healthcare Information

Did You Know ... September is **National Cholesterol Education Month**, a good time to get your blood cholesterol checked and take steps to lower it if it is high. National Cholesterol Education Month is also a good time to learn about lipid profiles and about food and lifestyle choices that help you reach personal cholesterol goals. More than 102 million American Adults (20 years or older) have total cholesterol levels at or above 200 mg/dL, which is above healthy levels. More than 35 million of these people have levels of 240 mg/dL or higher, which puts them at high risk for heart disease. For more information, go to: https://www.cdc.gov/cholesterol/cholesterol_education_month.htm

Seeing All Things From God's Point of View

September 22, 2019

The Lord's Point of View

“Are You IN Christ?”

II Corinthians 5:17-21

Introduction:

- A. Growing up as a young boy, 5,712 miles from here, my grandmother’s house was my Safe Haven whenever I was in trouble at home.
- B. Whether I was right or wrong, she always let me INside before, “what happened?”
- C. Once I was INside, I was relieved, refreshed, restored!
- D. In our context today, the inspired Word tells us that if anyone is IN Christ, he (*or she*) is a new creation; old things have passed away; behold, all things have become new (II Co. 5:17)!!

The Body:

The question then before us now is: “Are You IN Christ?” (II Cor 5:17-21):

I. What Christ has done:

II. What God has done:

III. What we must do:

Conclusion:

1. My brothers & sisters, friends, neighbors and visitors...
2. The Godhead has done His part by making the Sin Offering for us...
3. “Now,” you have both the time and space to be IN Christ...
